Aztec Fluids & Machinery Limited Earns Global Recognition with Dun & Bradstreet Rating

Ahmedabad, 9th September 2025 – Aztec Fluids & Machinery Limited (BSE: INE0SCB01016), a leading provider of Industrial Coding & Marking and traceability solutions, announced that it has been assigned a 2A2 “Good” Global Rating by Dun & Bradstreet Global Database Corporation, USA. This recognition underscores the Company’s strong fundamentals, Innovation-led growth strategy and commitment to quality and compliance.

Commitment to Global Standards

Aztec’s solutions today power traceability and brand protection across pharma, FMCG, Agrochemicals, Food & Beverage, Extrusion and Industrial goods. With a product portfolio that integrates hardware, software and vision systems, the Company is well-positioned to deliver end-to-end Track & Trace ecosystems, ensuring compliance, efficiency and transparency across global supply chains.

The **Dun & Bradstreet 2A2 rating** is a reflection of Aztec’s continuous commitment to quality at a global level, where each solution is benchmarked against international standards of reliability, compliance, and innovation. This global recognition reinforces Aztec’s position as an innovation-led, compliance-ready and globally scalable enterprise, aligned with India’s manufacturing vision while catering to International markets.

Management Commentary:

Mr. Pulin Vaidhya, Chairman & Managing Director of Aztec Fluids & Machinery Limited, further stated, “Earning the Dun & Bradstreet 2A2 global rating is not only a recognition of Aztec’s financial and operational strength, but also a **catalyst** for strengthening trust across our entire ecosystem.

For our customers, it reaffirms that they are partnering with a company benchmarked to **International standards** of quality and reliability. For our supply chain partners, it provides additional confidence in our stability and governance, enabling deeper collaborations and long-term alignment. This recognition enhances our ability to forge new relationships, expand into untapped geographies and access new business opportunities where global credibility is a prerequisite.

Our journey has always been guided by a relentless focus on quality, compliance and innovation. The integration of Jet Inks has deepened our backward integration, expanded our consumables portfolio and opened **new markets** across South and East India. At the same time, our Track & Trace solutions are addressing critical regulatory mandates such as FSSAI, DGFT, DAVA, and BIS, making us a preferred partner for industries navigating compliance and anti-counterfeit challenges.

With our automated assembly unit driving scalability, exports gradually expanding across Africa and Asia, and recurring revenues from consumables strengthening our base, we are confident of sustaining a **20-25% CAGR** in the coming years. We extend our heartfelt gratitude to our customers, partners, employees and shareholders whose unwavering trust and support continue to inspire us. They remain the driving force behind Aztec's journey as we step confidently into the next phase of growth."

About Aztec Fluids & Machinery Limited:

Established in 2010, **Aztec Fluids & Machinery Limited**, is a prominent supplier of printers, consumables, and spares, specializing in coding and marking solutions. Their product range includes various printers (CIJ, TTO, DOD, NIJ, and Laser) and specialized inks for diverse applications.

With over 1,500+ customers across multiple sectors, serves 24 states and 3 union territories in India, with a growing international presence, it also exports products to countries in Africa, the Middle East, and Asia.

Company has also acquired Jet Inks Private Limited, a Chennai-based ink manufacturer and printer dealer, to strengthen its presence in South and East India.
